# Studio 2 Wired On-Ear Mint

255203

Immerse yourself in Lab quality sound, wrapped in unparalleled comfort. The JLab Studio 2 headphones are your daily audio companion. With a durable, tangle-free braided nylon cord, they're built to last through your busiest days and tuned to please with our Lab Quality Sound. Fold them flat for easy portability, making them the perfect on-the-go listening solution.

Colour

PRODUCT DETAILS

**Immersive Lab Quality Sound**
Enjoy exceptional sound quality via 40mm dynamic drivers, bringing deep bass and clarity to your music. Crafted with Lab Quality Sound, enjoy the crystal-clear highs and transparent mids, with the Studio 2 wired headphones.

**Cloud Foam™ Comfort**
Cloud Foam earcups bring studio comfort to you. The 1" Cloud Foam cushions and adjustable hinges further customize your comfort for any travel, workout, or commute.

**Connect and Control**
Plug-in and stay tangle-free, with the included braided-nylon cord equipped with an in-line mic for crystal clear calls, and controlling your tunes. Enjoy the convenience of play, pause, and track skip from the in-line controls.

**And More!**
Foldable design with rotating earcups: Designed for convenience and portability, these headphones are easy to store and carry.  The Studio 2's smooth-sliding adjustments and feather-light build make them ready for extra-long listening sessions. The plush circular ear cups rotate 80 degrees and fold up in the palm of your hand, making them perfect to accompany you everywhere.

**Highlights**

- Tangle-Free Cable for everyday use
- Cloud Foam™ Earcups and Headband for ultimate comfort
- Lab quality sound
- Microphone for crystal clear calls
- 3.5mm aux cable for universal compatibility
