PRODUCT DETAILS

SIMPLE AND EFFORTLESS
The Véritable SMART indoor vegetable garden makes it easy to grow 4 plants all year round thanks to its lighting that adapts to the ambient light. Each garden is sold with 2 lingots: basil and krause parsley.

ADAPT'LIGHT LED TECHNOLOGY
Modules the intensity of the lighting according to the light exposure. Horticultural lighting accelerates growth and develops flavors. 16 hours on / 8 hours off. 2 adjustable light poles to adapt to plant growth speed.

READY TO USE
Choose from 70 varieties of ingots (substrate with seeds and integrated nutrients) that are 100% biodegradable, pesticide-free, and GMO-free. Enjoy regular harvests for 4-6 months. Guarantee "Satisfied or Exchanged".

AUTONOMOUS FOR UP TO 4 WEEKS
The built-in water level alarm warns when the tank is almost empty. The vegetable garden provides your plants with light, water, and nutrients for optimal growth.

MADE IN FRANCE AND ECOLOGICAL
Designed, manufactured, and assembled in France. The packaging is eco-designed, the product is recyclable, and the refills are biodegradable and compostable. Energy-saving thanks to LED technology (9.5 W).
