

Marshall Kilburn III Wireless speaker with 50+ hours of portable playtime, Black & Brass

255281

Turn heads and ears with the impeccable audio and timeless design of Kilburn III. This portable speaker comes with 360° True Stereophonic sound and makes a statement wherever displayed. Its dust and water resistance rating means it’s not bothered by a bit of dirt or a splash of water. No wonder it’s got such an obsessive following.

PRODUCT DETAILS

50+ HOURS OF PORTABLE PLAYTIME
A speaker for inside and outside your home. Start track one in the bedroom, then listen to the encore on the balcony. With 50+ hours of portable playtime, your playlist will probably run out before the battery.

TRUE STEREOPHONIC
With True Stereophonic, there’s nowhere to hide. 360° sound finds you wherever you're standing thanks to a stereo arrangement with no blind spot. Take in well-rounded mids, crisp highs, and bass that digs deep with improved tuning and wide band drivers.

DUST & WATER-RESISTANT (IP54)
Make the most of this speaker’s durable build by using it both inside and and outside your home. Kilburn III’s IP54 dust and water-resistant design makes it ready to deal with a splash of water or a bit of dirt. It won’t be bothered about a little spill from an overexcited house guest either.

DYNAMIC LOUDNESS
Turn the music right up without compromising on any musical detail. Kilburn III has been designed so that the bass, mids, and treble adjust perfectly no matter the volume. Find the right volume for whatever you’re listening to and let us do the rest.

TACTILE CONTROLS
Our signature controls get you straight to what you want. Navigate features with the customisable M-button along with the Marshall Bluetooth app. Adjust your bass and treble, and turn your speaker on or off. Play, pause, and skip tracks, then use the M-button to instantly access presets.

CHARGING BANK
Don’t let the battery on your device let you down. Power up your playlists and use Kilburn III to charge your phone whenever it needs a boost. Just plug in, and let your speaker do the rest.
