PRODUCT DETAILS

Wireless Bluetooth® 5.3 Streaming
Advanced Bluetooth® 5.3 chip, ensures stable transmission up to 33 ft (10m) long range.

IPX7 Waterproof
Fully waterproof design means this Bluetooth® speaker is able to withstand full immersion down to 3 feet for up to 30 minutes. Perfect for traveling, camping, boating, kayaking, and other outdoor adventures.

Clip it Anywhere
Included aluminum anodized carabiner allows you to attach the speaker’s built-in nylon strap easily to your bag or bike.

Rugged & Durable
Seamless mesh fabric material and rugged housing ensures speaker’s durability for fearless entertainment.

Ultra Portable
Compact and packable design so you can take it along with you everywhere.

Downward Firing Passive Radiator
Surface resonating passive radiator with contoured foot for maximum bass.

Accoustically Transparent Waterproof Fabric
The fabric mesh is engineered to maximize the passthrough of high frequency audio waves, keeping the speaker’s sound bright and crystal clear.
