252076

Get the ultimate wireless productivity bundle with the GO Mouse and GO Keyboard. With multiple connection options, 3 saved device connections and compact, portable design, you have style and functionality at your fingertips.

PRODUCT DETAILS

Go Mouse
The GO wireless Bluetooth mouse is small, fits comfortably in your hand and - dare we say it - kind of cute? You have it all with you, it accompanies you from your desk to the café to the coworking space and beyond. We see you digital nomads. Three saved device connections mean you can change connections as easily as you would change filters.

Features

- Various connection options: Choose between 2.4 GHz (USB dongle) or Bluetooth to connect to virtually any device.
- Switch between 3 paired devices with just one tap.
- Compact, ambidextrous design
- Adjustable DPI button (800-1600)
- 4 buttons
- Powered by 1 x AA battery

Go Keyboard
The GO Wireless Bluetooth Keyboard is small and powerful. Complete your minimalist workspace or pair it with a range of devices wherever you are. With up to three saved device connections and a sleek, low-profile design, this keyboard gives you style, functionality and ultimate convenience on the go.

Features

- Multiple connection options: Choose
- between 2.4 GHz (USB dongle) or Bluetooth to pair with virtually any device
- Lightweight, portable design with a total of 78 buttons
- Multifunctional media controller to control your music.
- Conveniently switch between 3 stored devices
- Access hotkey functions
- Powered by 2 x AAA batteries
