Colour

PRODUCT DETAILS

The shell your Ledger Stax™ deserves

A magnetic, stackable case that helps prevent scratches and keeps your Ledger device sheltered.

Attach or detach anytime with magnetic integration

Our magnetic integration on both the Ledger Stax™ and Ledger Stax™ Magnet Shell creates a seamless connection between the two, making sure that the shell firmly clings to your Ledger Stax™. Attach or detach anytime, anywhere.

Durable Nylon to avoid scratches & gentle microfiber for display protection

Ledger Stax™ Magnet Shell's duo of materials protects your Ledger device from all sides. It helps prevent scratches with durable nylon and protects the display with a gentle microfiber.
