Aiper Scuba S1 Pro 2025 Cordless Pool cleaning robot

254499

The Aiper Scuba S1 Pro 2025 redefines cordless robotic pool cleaning with cutting-edge technology and unmatched efficiency. Equipped with powerful quad brushless motors and an advanced particle filtration system, it captures debris as small as three microns for a spotless pool. With WaveLine™ technology, it delivers precise horizontal waterline cleaning, using infrared sensors and intelligent flow control to ensure full coverage and seamless obstacle avoidance. Designed for superior mobility, its caterpillar treads glide effortlessly over various pool surfaces and inclines. The Aiper App provides intuitive remote control and real-time performance monitoring, setting a new benchmark for automated pool maintenance.

PRODUCT DETAILS

Smart Control at Your Fingertips

Take full control of your pool cleaning experience with the Aiper App. Easily monitor battery levels, review cleaning history, cleaning modes—all from your smartphone. The app control is accessible when the device is out of the water, giving you seamless customization and convenience.

Premium Cleaning Performance

Tackle the toughest pool cleaning tasks effortlessly with the Aiper Scuba S1 Pro. Equipped with quad brushless motors and Advanced Particle Filtration, this powerhouse delivers unmatched scrubbing and suction power. It captures and stores debris as small as 3 microns in its massive 5-liter debris basket, ensuring your pool is crystal clear at all times.

WaveLine™ Technology – Next-Level Navigation

Say goodbye to uneven cleaning! The Scuba S1 Pro is the first cordless robotic pool cleaner with horizontal waterline cleaning capabilities. Featuring infrared sensors and impeccable flow control, it intelligently navigates around obstacles, ensuring a spotless pool from top to bottom.

Unstoppable Mobility with Caterpillar Treads

Designed for superior movement, the Scuba S1 Pro glides effortlessly across all pool surfaces, including concrete, fiberglass, vinyl, and tiles. With the ability to climb 115° sloped walls, it conquers drains,

water inlets, and other obstacles with ease—delivering a complete, edge-to-edge clean.

What's in the Box?

- 1x Aiper Scuba S1 Pro
- 1x DC Charger
- 1x User Manual
- 1x Retrieval Hook

Specs

Product Attributes

EAN:	6977676340164
Manufacturer number:	X6-2025-GRY-EU
Product weight:	11.7 kilograms

Technical specifications

Pool types:	In-ground
Pool floor types:	Concrete Fiberglass Vinyl Tiles
Pool size:	200m ² (max 20m in length)
Flow rate:	379 LPM
Filter fineness:	180 µm (Primary) 3 µm (Secondary)
Filter capacity:	5
Max diving depth:	3
Operation temperature:	10-35
Battery life:	Up to 180 minutes
Battery type:	25.2V 7800mAh (196.56Wh) battery
Charging time (0 - 100%):	4
IP classification:	IPX8
App-controlled:	true

Dimensions and Weight

Product height:	30
Product width:	44.2
Product length:	47.3
Product weight:	11.7

Energy Management

Input voltage:	100-240
