PRODUCT DETAILS

MH66T Smart Pet Drying Box

Petaboo MH66T is a multi-functional smart pet drying box with a 72L large capacity designed for multi-pet homes. It integrates 360° circulating airflow, UV sterilization, hair collection, and a unique fully removable front door that instantly converts the unit into a cozy, temperature-regulated cat bed.

Selling Points

- Transparent top window
- Removable front door cat bed (warm/cool)
- 360° airflow (bottom + top) for even drying
- 72L capacity - up to 3 pets
- Auto door opening after drying
- Lockable calming windows
- 30-50 dB noise
- Removable drainage plate - easy cleaning
- Hair collector - collects fur via airflow
- 4 adjustable modes: Comfort Drying / Fast Drying / Cold Pet Bed / Warm Pet Bed
- UV Sterilization + Kitten/Puppy Mode (constant temp for young pets)
- DC permanent magnet synchronous motor - long life, stable speed

Drying Mode (2 types)
