

NARWAL

Narwal Flow Compact Station – Robot Vacuum & Mop with Compact Dock

257473

The Narwal Flow Compact Station is a robot vacuum and mop with FlowWash mopping, 113°F heated water, and 22,000Pa suction for whole-home cleaning. It pairs with a slim, space-saving Compact Dock.

Colour

PRODUCT DETAILS

Pure in one flow.

The Most Innovated Floor Washing Robot Vacuum with All Flagship Features.

Mopping Flow

FlowWash Mopping system

Real-time self-cleaning track mop and robot built-in dual water tank technology.

113°F Heated Water Mopping

Edge-to-edge mop extension with 12N downward pressure.

EdgeReach Mop Extension

Quick clean stubborn stains for high-efficiency, deep scrubbing experience.

Adaptive Heavy-dirt Cleaning

Dual-direction mopping and re-mopping strategy.

Vacuuming Flow

CarpetFocus Technology

Adaptive Brush Cover and embedded dirt and hair extraction.

Fully Tangle-Free System

Dynamic anti-tangle side brush and floating zero-tangling main brush.

Intelligent Particle Detection

Adaptive suction power and sweeping until spotless.

22,000Pa Suction Power

100% particle removal on hard floors.

Reach Flow

Edge-to-Edge Corner Cleaning

Track mop extension and side brush extension.

Room-to-room Smooth Crossing

4cm obstacle climbing.

Into Low Space, Show Low Profile

95mm ultra-slim body and 11" thinnest dock in the industry.

Intelligent Flow

NarMind™ Pro Autonomous System

2 AI cameras, 10 TOPS computing power and 200+ objects recognition.

Adaptive Real-Time Cleaning Strategy

Dry-wet separation cleaning, intelligent particle cleaning and dynamic edge & corner cleaning.

Minds-free & Hands-free Interaction

Freo Mind Mode 4.0, Hey Nawa Voice Assistant and Support Matter Smart Living.

Specification

- **Dimensions:** Compact Dock: 433*410*280mm

Robot: 363.5*351.2*95mm

- **Weight:** Compact Dock: 8.5kg

Robot: 5kg

- **Suction Power:** 22000pa
- **Sensor:** dToF LIDAR Navigation, TwinAI Dodge Obstacle Avoidance
- **Chipset:** CPU with 10 TOPS computing power
- **Brush:** Zero-Tangling Lifiable Brush, Dynamic Zero-Tangle Side Brush*2
- **Dustbin/bag:** 2.5L Dust Bag, 120 Days Maintenance-Free
- **Mop:** Track Mop, 80 RPM, 48mm EdgeReach Mop Extension, 12N Drag Down Pressure, 12mm Mop Lift and Main Brush Lift

- **Battery:** 6400mAh
- **Noise Reduction:** Mop56dB(A)

Vacuum60dB(A)

- **AI Voice Assistant:** HeyNawa AI Voice Assistant

What's in the box Robot

- Robot x 1
- Zero-Tangling Floating Roller Brush x 1
- Dust Bin x 1 (Dust Bag x 1 + Dust Bin Filter x 1)
- Track Mop x 1

Base station

- Multifunctional Dock x 1
- Cleaning Dock x 1
- Multifunctional Dock Replaceable Filter x 1
- Auto Refill & Drainage System installation kit ×1 set (Compact Dock)
- Floor Detergent Container x 1 (Compact Dock)

Accessories included

- Anti-Tangle Side Brush x 2
- Dock Power Cord x 1
- User Manual x 1
- Dust Bag x 2
- Replaceable Insert Bin x 1
- Dust Bin Filter x 1
- 200ml Floor Cleaner x 1
