PRODUCT DETAILS

Clean floors, fresh mops – all in one go

The self-cleaning flat mop roller (Narwal TrackMop) continuously refreshes itself, ensuring a cleaner mopping experience.

FlowWash mop system

A four-stage cleaning process keeps the mop fresh from start to finish.

- Mop rinsing system with 16 nozzles
- 12N mop contact pressure
- Residue scraping
- Wastewater extraction

Ready for real everyday dirt

Spills in the kitchen: Tackles sticky stains like coffee, soy sauce, and ketchup.

Paw prints & dirt: Effortlessly removes mud, paw prints, and wet marks.

Thorough cleaning of the entire home, corner by corner.

0 mm edge cleaning right into the corners. Dynamic mop extension for edge cleaning.

Powerful hair removal for households with pets

31,000 Pa suction power removes pet hair and dust, keeping your home fresh, clean, and barefoot-ready.

Zero entanglement in hair care

The DualFlow anti-tangling system prevents the accumulation of pet hair, keeps the brushes clear and ensures strong cleaning performance with minimal maintenance.

Quiet and safe cleaning for your home

With a quiet operation of 59 dB and a safety lock against accidental starting, it offers a worry-free cleaning solution for households with children and pets.

Smart enough to understand your home
