

Blueair PRO L 230VAC Air Purifier with SmokeStop Filter

249247

Completely filters the air in a 72m² room every 12 minutes

PRODUCT DETAILS

Size

MEDIUM, EXTRA LARGE, **LARGE**

Professional performance for extra-large rooms

Filters the air at the industry-recommended rate of 5x an hour (or about every 12 minutes) in a 72 m² room to effectively lower particle levels and maintain a comfortable environment in extra-large rooms, open-concept floor plans and studios. Pro L moves an impressive amount of air, delivering an airflow of 660 cubic feet per minute on high speed.

Designed for your workspace

The galvanized steel housing delivers maximum clean air delivery in a compact design, and the sleek white appearance is designed to blend in seamlessly in a professional environment.

The secret behind powerful filtration

Blueair's unique combination of electrostatic and mechanical filtration that we call HEPASilent™ filtration technology sets Blueair apart. The combination allows us to use filters that are less dense and require less air pressure than traditional HEPA filters without a loss in performance— resulting in quieter and more energy efficient air purifiers.

Superior clean air delivery

Designed to work as hard as you do, the Pro L is independently AHAM verified for the maximum possible Clean Air Delivery Rate (CADR) of Smoke/>450, Pollen/>450, Dust/>400.

Low energy consumption

Limit energy costs and use 24 hours a day without concern (22-170 W).

Quiet achiever

Noise-levels are no louder than a whisper on low speed (32 dB) and equivalent to the noise level of a quiet office on high (55 dB).

Specifications

- Dimensions(HxWxD): 790 x 504 x 240 mm

- Product weight: 21kg
- Energy consumption: 22 - 170 Watts
- Sound level: 32 - 55 dB(A)
- Air outlet: Side
- Air inlet: Side
- Recommended room size: 72 m2
- Air changes per hour (ACH): 5
- Clean air delivery rate (CADR) - Pollen: 1020 m³ per hour (600 cfm)
- Clean air delivery rate (CADR) - Dust: 1070 m³ per hour (630 cfm)
- Clean air delivery rate (CADR) - Smoke: 833 m³ per hour (490 cfm)

Product Attributes

EAN:	0689122002613
Manufacturer number:	PROLK230SMW
Product weight:	20.0 kilograms
Pieces per master carton:	1 Piece

Technical specifications

Air quality monitoring:	false
Clean air delivery rate (m³/h) - pollen:	1020
Clean air delivery rate (m³/h) - dust:	1070
App-controlled:	No
Clean air delivery rate (m³/h) - smoke:	833
Fan speed settings:	3
Filter technology:	HEPAsilent
Recommended filter change:	6
Recommended room size (2 ACH)	173
Recommended room size (5 ACH)	72
Sound level:	32-55
Timer:	false

Energy Management

Power consumption:	22-170
