

Blueair Blue 511i Max Air Purifier

254553

The Blueair Blue Pure Max series is a top-performing line of air purifiers, featuring innovative HEPASilent™ technology for up to 83% faster air cleaning with 50% less noise compared to traditional HEPA filters. Designed for medium to large spaces, it purifies up to 465 sq. ft. in 30 minutes while capturing 99.97% of airborne particles like viruses, allergens, smoke, and dust. With smart features like app integration, Alexa compatibility, and multiple filter options, it's perfect for creating a cleaner, fresher home environment. Experience ultra-quiet performance and efficient air purification tailored to your lifestyle.

PRODUCT DETAILS

BLUEAIR'S BEST AIR PURIFIER LINE

Meet the new Blue Pure Max series, part of Blueair's top-performing air purifier family. With our innovative HEPASilent™ technology, it cleans the air up to 83% faster and operates 50% quieter, making it better than ever.

WHISPER-QUIET OPERATION

Enjoy peace and quiet with the Blue Pure 511i Max. It operates as low as 19 dB on its lowest setting and never goes above 48 dB, even at full speed. Use Night Mode to dim the lights and keep the air clean without disturbing your sleep.

FASTER, CLEANER AIR

Blueair's advanced HEPASilent™ dual filtration technology delivers cleaner air faster, using less energy and noise than traditional HEPA filters. It purifies 43 m² in just 30 minutes or 18 m² in 12.5 minutes, making it ideal for medium to large spaces.

BREATHE CLEANER, FRESHER AIR

Capture 99.97% of particles as small as 0.1 microns, including viruses, smoke, pollen, pet dander, dust, and allergens. The built-in carbon filter eliminates odors from cooking, pets, and smoke, leaving your home smelling fresh and clean.

SMART AND CONNECTED

Take control with the Blueair app, which lets you schedule, monitor air quality, track filter life, and even

use geofencing for the convenient Welcome Home feature. Plus, it's Alexa-compatible, so you can adjust settings with just your voice.

SIMPLE AND INTUITIVE DESIGN

The Blue Pure 511i Max is designed for ease of use. The two-button control lets you adjust fan speeds, night mode, and auto mode effortlessly, while the 5-color air quality indicator keeps you informed at a glance.

Specs

Product Attributes

EAN:	0689122027388
Manufacturer number:	111582
Product weight:	1.9 kilograms

Technical specifications

Air quality monitoring:	true
Clean air delivery rate (m³/h) - pollen:	212
Clean air delivery rate (m³/h) - dust:	212
App-controlled:	Yes
Clean air delivery rate (m³/h) - smoke:	212
Fan speed settings:	Auto-1-2-3-Night Mode
Filter technology:	HEPAsilent
Recommended filter change:	6-9
Recommended room size (2 ACH)	43
Recommended room size (5 ACH)	18
Sound level:	19-48

Energy Management

Power consumption:	4-20
