

Blueair Classic Pro CP7i Air Purifier

254633

The Classic Pro CP7i air purifier offers advanced air purification technology with HEPASilent dual filtration, removing 99.97% of airborne particles like dust, smoke, allergens, viruses, and bacteria. Ideal for medium to large spaces, it cleans up to 1,413 sq. ft. in 30 minutes with minimal noise and energy consumption. Featuring HINS Pure technology for safe sterilization and premium steel construction for durability, it's a reliable and efficient choice for home or office use. Plus, with a 5-year warranty and intuitive controls, it ensures long-term performance and easy operation.

PRODUCT DETAILS

ADVANCED AIR PURIFIER TECHNOLOGY

The Classic Pro CP7i combines cutting-edge technology with optimal performance, featuring a dual fan, dual filter design that efficiently draws in polluted air and pushes out clean air through two side outlets for maximum coverage and fast purification.

SAFE AND EFFECTIVE TECHNOLOGY

HINS Pure technology activates every 10 minutes, shining a visible blue light for 10 seconds to sterilize the air. This safe light operates at a 405 nm wavelength, offering effective sterilization without the risks associated with other light technologies.

QUALITY FILTRATION SYSTEM

The HEPASilent dual filtration combines mechanical filtration and electrostatic charge, capturing 99.97% of airborne particles as small as 0.1 microns, including viruses, dust, allergens, and smoke, all while using less energy and minimizing noise.

PREMIUM DURABILITY

Built with premium steel, the Classic Pro is designed for long-lasting durability, resistant to wear, abrasion, and scratching. Plus, it comes with an up to 5-year warranty for peace of mind.

INTUITIVE DISPLAY & EASY CONTROL

The 5-color AQI display provides an at-a-glance view of air quality levels, while the numeric display offers detailed pollution readings. Featuring eco mode, auto mode, and intuitive controls for convenient operation.

Specs

Product Attributes

EAN:	0689122028057
Manufacturer number:	111760
Product weight:	14.47 kilograms

Technical specifications

Air quality monitoring:	true
Clean air delivery rate (m³/h) - pollen:	645
Clean air delivery rate (m³/h) - dust:	392
App-controlled:	Yes
Clean air delivery rate (m³/h) - smoke:	668
Fan speed settings:	4 + Night, Auto & Eco
Filter technology:	HEPAsilent
Recommended filter change:	6-12
Recommended room size (2 ACH)	131
Recommended room size (5 ACH)	54
Sound level:	25-56
Timer:	true

Energy Management

Power consumption:	6-60
