Mill Compact Fan heater 1800W with aluminum foot, white

251975

The Mill Compact is a small, compact, and effective fan heater, wrapped in an elegant design. The heater's soft, rounded edges and gently curved sides underline the minimalistic Scandinavian style and make it a natural fit in most modern homes.

Colour

PRODUCT DETAILS

Don't let its size fool you! This is a very effective heater that quickly warms up both smaller and larger rooms. The pretty little heater is easy to move wherever you need some extra heat and takes up very little space in storage.
