255343

- **All-in-One Prep Tools:** Includes a stainless steel chopping blade, reversible shredding disc, and whipping blade - giving you the flexibility to chop, shred, purée, and whip with one compact appliance.

- **Sized Right for Everyday Cooking:** The 1.1L work bowl is ideal for daily tasks and big enough for small-batch recipes, compact enough to store easily.

- **One powerful tool for effortless prep with delicious results:** From chopping and shredding to whipping, puréeing, and emulsifying, this is your all-in-one kitchen companion. Whether you're crafting creamy hummus, zesty salsa, or fluffy whipped cream, it makes homemade easier, fresher, and tastier than store-bought.

- **Prep at the Push of a Button:** Simple one-touch operation and precise pulse control give you full command over texture and consistency. No complicated settings, just fast, reliable results every time.

- **Secure BladeLock™ System for Safer Handling:** Keeps the blade locked in place while processing and pouring - helping prevent spills, slips, and accidents.

- **Easy to Use:** Simple one-touch operation makes everyday prep fast and fuss-free. The integrated pusher tube helps guide ingredients safely and evenly toward the blades, ensuring consistent results when slicing or shredding

- **Simple to clean and store:** Dishwasher-safe parts makes clean up a breeze and in bowl accessory storage ensures its convenient to store away

PRODUCT DETAILS

Unleash Your Inner Chef with the FlexPrep® 1.1L Food Processor - your compact culinary companion that brings creativity, convenience, and control to your kitchen.

Whether you're prepping for a family dinner or whipping up something spontaneous, this space-saving powerhouse is designed to handle it all with ease.

From finely chopped onions and garlic to silky-smooth dips, fluffy whipped cream, and perfectly shredded veggies, the FlexPrep® transforms everyday ingredients into something extraordinary. With a universal stainless steel chopping blade, a reversible shredding disc (for fine or coarse textures), and a dedicated whipping blade, you can explore endless possibilities, all in one sleek, 1.1L machine.

Need to whip cream for dessert? Done in seconds. Want to make your own pesto or salsa from scratch? Easy. Craving a homemade vinaigrette or mayo? Just press and go. The BladeLock™ System keeps everything secure while you pour, and the anti-slip feet ensure stability while you create. The integrated pusher tube helps guide ingredients safely and evenly toward the blades, perfect for consistent slicing and shredding.

And when the prep is done? Cleanup is a breeze. The dishwasher-safe bowl and accessories make clean up effortless.

Whether you're a seasoned cook or just starting your kitchen journey, the FlexPrep® puts culinary creativity right at your fingertips, so you can prep, mix, whip, and wow with confidence.
