

Cuisinart®

Cuisinart Power Blend Immersion Hand Blender

256331

- **BLEND, WHIP, SLICE, CHOP – ALL IN ONE:** With 400 watts of power, this multitasker whips, mixes, chops, shreds and purees everything from soups to smoothies in seconds – no need for multiple appliances.
- **COOKWARE-FRIENDLY, WORRY-FREE BLENDING:** The BPA-free, no-scratch blending bell protects glass, plastic and nonstick cookware, so you can blend directly in the pot without damage or extra cleanup.
- **EFFORTLESS CONTROL IN ONE HAND:** Unlock, power up and adjust variable speed with fingertip buttons on the handle. A digital display and illuminated indicator make precision simple and intuitive.
- **PREP, BLEND, AND STORE WITHOUT THE FUSS:** Measure, mix and store in the dishwasher-safe 700 ml container with lid – perfect for smoothies on the go or sauces ready for later.
- **FOOD PROCESSOR POWER IN A COMPACT DESIGN:** The 950 ml bowl with chopping blade and reversible slicing/shredding disc makes quick work of salads, toppings and more, without taking up valuable space.
- **SMART STORAGE, SHARP PERFORMANCE:** The stainless steel blade with protective guard and included storage bag keeps everything safe, organised and ready for your next culinary adventure.

PRODUCT DETAILS

The ultimate all-in-one kitchen tool for effortless prep and perfect results. Why juggle multiple appliances when one can do it all? The Power Blend Immersion Blender delivers 400 watts of versatile performance, giving you the power to blend, whip, chop, shred and puree in seconds. From creamy soups and smoothies to fresh salads and toppings, this compact powerhouse makes every task quick and easy, saving you time without compromising on quality.

Designed with your cookware in mind, the BPA-free, no-scratch blending bell protects glass, plastic and

nonstick surfaces, so you can blend directly in pots and bowls without worry. No scratches, no stress – just smooth, consistent results every time.

Control is effortless with one-handed operation. Fingertip buttons for Unlock, Power and Variable Speed are all conveniently located on the handle, while the digital display and illuminated indicator make it simple to select the perfect speed, from a gentle stir to full power. Precision has never been so easy.

Prep, blend and store without the fuss thanks to the versatile 700ml container with lid. It's dishwasher-safe for quick cleanup and perfect for smoothies on the go or sauces ready for later. For bigger jobs, the 950ml food processor bowl with chopping blade and reversible slicing/shredding disc brings full-size functionality in a space-saving design, making meal prep faster and more convenient.

When you're done, smart storage keeps everything organised. The stainless steel blade comes with a protective guard for safe handling, and the included storage bag ensures all accessories stay neat and ready for your next culinary adventure. Compact, powerful and built for convenience, the Power Blend Immersion Blender is your go-to tool for fast, fresh and flawless results.
