- **PERFECT TEXTURE EVERY TIME:** Mix-ins feature ensures your chocolate chips, fresh fruit, and other goodies are evenly mixed for a smooth, consistent texture throughout.
- **SPACE-SAVING DESIGN WITH HANDHELD CONVENIENCE:** Small but mighty! Enjoy the ease of handheld operation, plus stackable dessert cups, making storage quick and easy - even in the tiniest kitchens.
- **EASY CLEANING FOR A STRESS-FREE EXPERIENCE:** Clean-up is a breeze with dishwasher-safe dessert cups and lids, ensuring a quick and effortless post-dessert experience.

PRODUCT DETAILS

Introducing the enchantment of the Freeze Wand® – your ultimate tool for crafting customised frozen treats and drinks, bringing the magic of ice cream right to your fingertips. With five easy-to-use functions – ice cream, slushie, milkshake, sorbet, and mix-ins – you can effortlessly create a variety of frozen delights. The compact design ensures the Freeze Wand® fits perfectly in your kitchen, without taking up much space.

Completely tailored to your taste, the Freeze Wand® features 5 x presets, allowing you to make

anything you're in the mood for - whether it's indulgent ice cream, high-protein, low-sugar, dairy-free, or vegan options. Want to add a personal touch? Mix in your favourite ingredients like chocolate chips, nuts, or fresh fruit to take your frozen creations to the next level. With just a simple push, this compact, handheld device opens up endless possibilities.

Can't decide on just one flavour? No problem! With three stackable, BPA-free 240ml dessert cups with lids, you can make and store up to three different treats at once, ensuring everyone gets exactly what they crave.

The Freeze Wand® works quickly, transforming your pre-frozen base into a delicious frozen dessert in just minutes. Simply freeze your base for 24 hours, and with a gentle push, the high-efficiency motor and blades will churn your creation to perfection, giving you a fresh treat in no time.

The easy-to-use design lets you whip up your favourite frozen delights with minimal effort, making it perfect for spontaneous indulgence. Plus, the dishwasher-safe dessert cups ensure cleanup is just as simple.

From fruity sorbets to creamy ice creams or refreshing slushies, the Freeze Wand® Ice Cream Maker offers a fun and effortless way to create homemade frozen treats exactly the way you like them.
