- **NO PRE-FREEZING, NO WAITING:** Skip the freezer prep. Our powerful built-in compressor and four presets let you whip up silky-smooth ice cream, gelato, sorbet, or frozen yogurt in just 40 minutes.
- **CUSTOMISE EVERY SCOOP:** Add your favorite mix-ins mid-churn through the transparent lid's funnel for fully personalized creations, exactly how you like them.
- **SERVE-READY FOR OVER AN HOUR:** The 90-minute keep-cool function keeps your desserts perfectly chilled and scoopable, so they're ready when you are.
- **PRECISION CONTROL, PROFESSIONAL RESULTS:** Fine-tune texture and timing with 14 adjustable settings and dedicated presets for consistently perfect results every time.
- **DEDICATED MIX-ONLY MODE & DUAL PADDLES:** Use the mix-only function to prep your base or blend ingredients before freezing. Includes two BPA-free paddles, one for ice cream and one for gelato, for optimal performance.
- **BIGGER BATCHES, EFFORTLESS CLEANUP:** With a generous 1.5L capacity, you can make multiple batches back-to-back. Plus, cleanup is quick thanks to the streamlined, user-friendly design.

PRODUCT DETAILS

Get ready to take your frozen desserts to the next level with the ****Freeze Ease Pro****, the ultimate ice cream maker for effortless, professional creations. Whether you're craving classic ice cream, creamy gelato, refreshing sorbet, or tangy frozen yogurt, this powerful machine delivers perfect texture and flavour in just 40 minutes, with no pre-freezing required.

With a generous 1.5L capacity and a built-in compressor, you can make multiple batches back-to-back without waiting. When you're not ready to serve, the 90-minute keep-cool function ensures your creations stay fresh and perfectly scoopable.

The Freeze Ease Pro is designed for versatility and ease, with four presets (Ice Cream, Sorbet, Frozen Yogurt, and Gelato) and adjustable time and consistency settings. The transparent lid with a built-in funnel lets you add ingredients like chocolate chips or nuts mid-churn for a completely customised treat.

For added convenience, a dedicated mix-only mode aerates your base ingredients for the perfect consistency. It also includes two purpose-built paddles—one for ice cream and one for gelato—so you get consistently smooth results every time.

Operation is simple and secure thanks to an easy-to-read LED display and a safety lock. And when the fun's over, cleanup is quick and hassle-free, so you can spend more time enjoying your creations.
