PRODUCT DETAILS

Elevate your home bar with the Cuisinart Automatic Wine Opener - where sophistication meets simplicity in the world of wine enjoyment. Revolutionize the way you uncork your favourite bottles with this sleek and stylish electric wine opener, designed to elevate every pour with effortless ease.

Gone are the days of struggling with traditional corkscrews or wrestling with stubborn corks. With the touch of a button, the Cuisinart Wine Opener gracefully removes both natural and synthetic corks, ensuring a seamless and stress-free experience every time.

Presented in a stunning gift box, this wine opener is not just a tool; it's a statement piece that adds a touch of elegance to any occasion. Whether it's a cozy night in or a lavish dinner party, let the Cuisinart

Wine Opener be the centerpiece of your wine ritual.

But convenience doesn't stop there. With its convenient charging stand, this wine opener is always ready to spring into action. Simply dock it for a 6-8 hour charge, and it's primed to uncork up to 80 bottles, ensuring that the festivities never have to pause.

Included with the set is a foil cutter, neatly integrated into the charging base for easy access. Say goodbye to messy foil remnants and hello to a clean and professional presentation with every pour.

And for those moments when one bottle just isn't enough, the vacuum sealer ensures that every drop of wine stays fresh and flavourful until the last glass. With a built-in date indicator, you'll never forget when you first opened that special bottle.

Make every pour a celebration of sophistication and style with the Cuisinart Automatic Wine Opener.
