

# Magnetic Swivel Clip

248882

Magnetic swivel clip to evenly attach your GoPro to your backpack strap or metal surfaces.

## PRODUCT DETAILS

### Magnetic Swivel Clip

Clip your GoPro to your backpack strap or gear, or use the magnet and stick it to metal surfaces. The 360-swivel feature helps you keep things level, and the clip makes a great kickstand for selfies, group pics or time lapse creations. Take one along on your next adventure.

- Easily clip your GoPro to backpack strap, furniture and more to capture unique perspectives
- Built-in magnet sticks to metal objects—like appliances or gym equipment—to give you clever, convenient camera placement
- 360 swivel lets you turn the camera to frame the perfect shot
- Compact design fits in your bag, perfect for on-the-go adventures
- Works as a kickstand for selfies, group pics or time lapse shots

\*Compatible with all HERO cameras and MAX
