Colour

PRODUCT DETAILS

360° Infinite Rotation

The iSteady Q features a built-in 360° infinite rotary motor in the phone clamp, enabling smooth, unlimited rotation for creative shots like inception effects and horizontal panoramas.

Extendable Selfie Stick & Built-in Tripod

Extend the stick up to 50 cm for the perfect selfie angle. Unfold the built-in tripod for hands-free desktop use — ideal for video calls, live streaming, and 360° face tracking.

Wireless Remote Control

The included 2.4G wireless remote control works up to 10 meters away. Take photos, record videos, and switch between front and rear cameras — all without touching your phone.

Hohem Joy App — Smart Tracking & Creative Modes

Connect via Bluetooth and unlock face tracking, gesture control, motion timelapse, dolly zoom, panoramic video, and the Moment mode for automatically generated video templates. Beauty filters and camera settings are also available in-app.

Two Working Modes

Switch between Lock Mode, which keeps your phone steady regardless of handle movement, and POV Follow Mode, where the phone smoothly follows your rotation. Auto rotation delivers 300° inception and 360° horizontal rotation effects with a triple press.

Lightweight & Portable

Weighing only 195 g and folding down to just 140.2 × 54 × 36.1 mm, the iSteady Q fits easily into any bag. The 460 mAh battery provides up to 3 hours of operation with a quick 45-minute charge time via USB-C.

Wide Phone Compatibility

Compatible with smartphones weighing up to 280 g, with a width range of 55–100 mm and a thickness of up to 11 mm. Supports iPhone 12/12 Pro/12 Pro Max/11/11 Pro/11 Pro Max/XS Max/XS/XR/X/8 Plus/8/7/6S/6/5S/5/SE and similar-weight Android phones under 7 inches.

Specifications

- Model: iSteady Q
- Type: Stabilizing Stick
- Weight: 195 g (incl. battery)
- Folded Dimensions: 140.2 × 54 × 36.1 mm
- Extended Length: 50 cm
- Material: PA6+30%GF, ABS
- Battery: 460 mAh
- Operating Time: 3 hours
- Charging Time: 45 minutes
- Input: 5V–1A (USB-C)
- Working Voltage: 3.7V
- Bluetooth: 3.0 + 4.0
- Remote Control: 2.4G radio frequency, up to 10 m
