255680

Extend your flight time and capture every moment with a spare HOVERAir X1 Flight Battery. This 1050mAh battery is color-matched to your drone and equipped with comprehensive safety features to keep you flying worry-free.

Colour

PRODUCT DETAILS

Never miss a moment:
Never miss a moment by adding this HOVERAir Flight Battery for X1 Drones to your bag or backpack. Each additional 1050mAh battery you purchase extends the time you can fly the X1 throughout your day.

Safe and Reliable:
The battery is conveniently color-matched to the rest of your drone, and features built-in protections to ensure safe operation. The battery is equipped with built-in protection against overcharging, overdischarging, short circuiting, overvoltage, overcurrent, and and overheating.
