Polaroid Hi Print 3x3 Pocket Photo Printer

256348

Your best moments deserve more than pixels. With the Polaroid Hi-Print 3x3 Photo Printer, turn your favorite shots into high-quality square prints: perfect for journaling, decorating your space, or sharing with friends. The printer even doubles as a frame, so you can display your latest favorite snap right on the device. Plus, personalize each print with templates, stickers, memes, and more through the Polaroid Hi-Print App. Get started straight away with everything you need to make 10 prints. Only compatible with Polaroid Hi-Print 3x3 Paper Cartridge.

PRODUCT DETAILS

PRINT SQUARE PHOTOS

Create clean, modern square prints that are perfect for displaying memories in a bold, stylish format.

DOUBLES AS A PHOTO FRAME

Each print can be used not just as a photo, but also as a mini frame, making it easy to showcase your favorite moments anywhere.

PERSONALIZE PRINTS IN THE POLAROID HIPRINT APP

Use the Polaroid HiPrint App to add stickers, text, filters, and creative touches that turn every print into something uniquely yours.

SQUARE IT, SHARE IT!

Capture it, print it, and share it in a fun square format designed to stand out and spread joy.
