

Véritable

Véritable Lingot Cayenne hot chili - Pre-seeded Soil

254328

Originally from Central and South America, the Chili belongs to the same family as pepper. It's said that the smaller it looks, the hotter it will be! Why? Because of its active ingredient called "capsaicin", which strongly tickles your taste buds. Enjoy the Véritable® Lingot® technology: 100% natural and ready-to-use refills with no pesticides or GMOs (patent-pending). Cayenne hot chili Lingot® compatible with the whole Véritable® Garden range. Specie: Cayenne hot chili

PRODUCT DETAILS

Véritable® LINGOT® is a patented innovation, offering ready-to-use refills designed for easy indoor gardening. These refills include everything your plants need for optimal growth: organic, soil-less media, organic seeds, and essential nutrients. No additional inputs are required. This system is simple, clean, efficient, and sustainable.

Explore a diverse collection of over 70 plant species available for cultivation in the Véritable® indoor garden range.
