

Véritable Lingot Chinese chives - Pre-seeded Soil

254322

This variety of chives is very common in China. The leaves of Chinese chives have a mild garlic flavor. They are almost flat and pale green. Chinese chives are used to flavor salads or omelets. This aromatic herb contains a high level of vitamin C. Enjoy the Véritable® Lingot® technology: 100% natural and ready-to-use refills with no pesticides or GMOs (patent-pending). Chinese Chives Lingot® compatible with the whole Véritable® Garden range

PRODUCT DETAILS

Véritable® LINGOT® is a patented innovation, offering ready-to-use refills designed for easy indoor gardening. These refills include everything your plants need for optimal growth: organic, soil-less media, organic seeds, and essential nutrients. No additional inputs are required. This system is simple, clean, efficient, and sustainable.

Explore a diverse collection of over 70 plant species available for cultivation in the Véritable® indoor garden range.
