PRODUCT DETAILS

Get luscious, silky-smooth feet instantly with Silk’n FreshPedi. This advanced, waterproof electric callus remover works with three different grinding discs and an integrated vacuum system to ensure a completely mess-free experience, achieving soft and beautifully well-groomed feet under wet or dry conditions.

Why the FreshPedi Changes Everything:

- Built-In Vacuum System: Features an intelligent suction system that instantly vacuums up dead skin cells during use, preventing them from falling onto your floor for a flawless, mess-free treatment.
- 100% Waterproof (IPX7): Designed for maximum versatility, allowing you to safely perform treatments on both dry and wet feet, or conveniently rinse the grinding head under running tap water.
- Up to 2,200 Rotations Per Minute: Equipped with 2 speed settings (1,900 rpm and 2,200 rpm) tracked via a crisp LCD screen, ensuring incredibly fast, painless, and proper removal of stubborn calluses.
- 3 Interchangeable Grinding Discs: Comes with Fine, Medium, and Coarse rotating discs so you can effortlessly customize the treatment to match the exact condition of your skin.
- Long-Lasting Wireless Power: Completely rechargeable via the included USB cable, providing up to 150 minutes of powerful, cordless operating time on a single full charge.
