The natural low-tech companion to the connected Perifit probes. Passive resistance training without an app - simply insert, and let the weights do the work.

PRODUCT DETAILS

Natural reflex training:
pelvic floor muscles contract reflexively to retain the weights - effective strengthening without conscious effort.

Progressive design:
3 ergonomic weights (40g 57g 65,5g) allow gradual resistance increase matched to the user’s progress.

Medical silicone:
body-safe and easy to clean. Designed for comfortable, worry free repeated use.
