More Than Just a Baby Monitor

Hubble Connected never stops innovating and inspiring. With Nursery Pal Connect, we've made it crystal clear that our baby monitors are no longer just for parents, as the 5" Smart Parent Unit's HD resolution maintains the perfect view of your little ones. With the complimentary HubbleGrip, conveniently position the Nursery Pal Connect Twin anywhere and easily adjust its angle of view with remote pan, tilt, and zoom functions. Enjoy the same, reliable picture with Infrared Night Vision, never miss a sound with the high sensitivity microphone, and use Two-Way Talk to comfort your infant with your familiar voice from anywhere at home. With an impressive 1000ft/300m range and up to 15 hours of battery life, the handheld parent unit is the perfect tool for your home. It even makes bedtime easier for the whole family, providing preloaded nature sounds, lullabies, and bedside stories that fill your nursery with comfort and peace.

Download the HubbleClub app for even more incredible features. And with a HubbleClub Subscription, access Video Recording and the Baby Growth & Development Tracker, so you can capture special moments and log each meaningful milestone. Finally, receive sound and motion notifications directly to your smart device from anywhere, ensuring you always stay connected to what matters most.
