

True Wireless Stereo Earbuds For Children **myFirst CareBuds**

Introducing myFirst CareBuds - earbuds designed specifically for kids! The myFirst CareBuds feature a maximum volume of 85db, ensuring that kids won't be able to turn up the volume to potentially harmful levels. They also come with various size eartips, ensuring a comfortable fit for kids of all ages.

But that's not all - myFirst CareBuds also have a unique feature that automatically switches them to transparency mode when the earbuds detect body movement. This is a crucial safety feature for kids, as it allows them to hear their surroundings while walking on the road or engaging in other activities.
