Momcozy Portable Sound Machine with Night Light

256978

This portable sound machine combines a gentle amber nightlight, 20 soothing sounds, and all-night battery life in a compact, travel-ready design. Easily clipped to strollers, cribs, or diaper bags, it brings calming comfort wherever you go. With features like a child safety lock, auto shut-off, and USB-C charging, it's the perfect sleep companion for both babies and parents, at home or on the move.

PRODUCT DETAILS
