Momcozy Baby Bottle Washer & Sterilizer

254760

Save time with an all-in-one solution that washes, sterilizes, and dries baby bottles, pump parts, and more. 26 powerful spray jets ensure a deep clean, while the dual-layer design safely holds up to 4 bottles. Choose from 9 cleaning modes, including a 19-minute Quick Wash and steam sterilization for a hygienic feeding environment. Plus, HEPA-filtered storage keeps bottles sterile for up to 72 hours. Convenient, safe, and parent approved!

PRODUCT DETAILS

Hands-Free Convenience for Busy Parents

Automatically washes, sterilizes, and dries baby bottles, pump parts, and tableware, freeing up valuable time to focus on your little one.

Powerful 360° Deep Cleaning

26 high-pressure spray jets, including 12 directional jets for interiors and 10 swirling jets for surfaces, ensure no spot is missed.

Safe and Spacious Design

Dual-layer setup accommodates up to four bottles from major brands while keeping delicate wearable pump parts securely positioned.

Customizable Cleaning for Every Need

Choose from nine mode combinations, including Rapid Wash for quick 19-minute cleaning or Sterilize+Dry for ultimate hygiene.

Hospital-Grade Steam Sterilization

Uses high-temperature steam to eliminate 99.9% of bacteria and viruses, ensuring a safe feeding experience for your baby.

Odor-Free, Sterile Storage

Keeps bottles dry and germ-free for up to 72 hours with a medical-grade H13 HEPA filter that removes 99.9% of airborne particles.

Reliable and Worry-Free

Backed by a one-year warranty and includes 60 Momcozy washing tablets for long-lasting performance and convenience.
