Momcozy J Shaped Maternity Body Pillow

254244

The Momcozy J-Shape Maternity Body Pillow provides versatile and comfortable support for the back, abdomen, legs, and neck. It is specially designed to support the entire body and is the ideal choice for expectant mothers looking for extra comfort and cushioning during pregnancy. The cover made of high-quality, long-staple silk cotton ensures a perfect balance between comfort and support. Durable and dimensionally stable, the pillow remains in top shape even after many nights.

PRODUCT DETAILS

Versatile J-shaped support

The extra J-shaped support ensures that your back, abdomen, legs and neck are optimally supported. The pillow adapts flexibly to the needs of your body and promotes a healthy sleeping position.

Luxurious Long Silk Cotton Filling

Filled with high-quality long silk cotton, our pillow offers the perfect balance between gentle comfort and optimal support. Experience a restful sleep that will give you energy for the next day.

Durable Construction

Our pillow is specially designed to last a long time. It retains its shape and provides reliable support every night, so you can rest assured of an undisturbed night's sleep.

Hassle-free care

The removable cover is machine washable, which makes cushion care a breeze. Keep your pillow fresh and clean, without much hassle!

Versatile

In addition to pregnancy, our pillow is also ideal for breastfeeding or to help you recover from an injury. Use it in different situations to maximize comfort!
