Momcozy DeepClean Baby Bottle Washer

256972

High-frequency feeding shouldn't mean high-stress cleaning. Stop second-guessing if your baby bottles and pump parts are truly clean. The Momcozy DeepClean D8 transforms the chaos of the sink into a seamless ritual. Powered by our HydroJet system, it targets every hidden curve of up to 8 bottles, removing residue and sterilizing 99.99% of bacteria in one go. The result? You reclaim an hour every day. Less scrubbing, more connecting, and absolute peace of mind.

PRODUCT DETAILS

Features:

- **Reclaim 30 Minutes Every Day:** Designed for busy families, it saves up to 30 minutes a day, so you can focus on what truly matters—your little one and some well-deserved rest.
- **Professional-Grade DeepClean:** Designed to reduce residue and hygiene anxiety. DeepClean standard ensures 100% stain removal on bottles, nipples, and accessories, TÜV SÜD certified for verified cleaning performance.
- **4-in-1 Automated Cleaning System:** Wash, sterilize, dry & store in one cycle with just one touch, fully automating the cleaning process for effortless daily use.
- **Fits 8 Bottles & Pump Parts in One Go:** Perfect for high-frequency feeding, handling up to 8 bottles and pump parts in one cycle. Compatible with wide, narrow, tall bottles and glass, plastic, or silicone materials.
- **Precision Cleaning for Every Detail:** Engineered for complex pump parts and small feeding accessories. Features TubeWash for 5mm tubing, Pump360 rotational jets, and Anti-Flip Lock to secure small parts for thorough cleaning.

Scope of delivery:

- 1x DeepClean Baby Bottle Washer
- 60 detergent tablets
- 4 descaling tablets
- 4 nipple holders
- 4 Pump360 rotational spray assemblies
- 1.2m drain hose for easy maintenance.
