

Cuisinart Core Collection Kettle 1.5L, Steel

256340

- BIG CAPACITY, FAST RESULTS: Brew up to six cups in minutes with the powerful 3 kW rapid boil element and generous 1.5 L capacity – ideal for busy mornings or relaxed tea breaks.
- KEEP WATER WARM AND HANDS SAFE WITH DOUBLEWALLED DESIGN: BPAfree insulated walls lock in heat, keeping water hotter for longer while ensuring the exterior remains cool to the touch.
- ONLY BOIL WHAT YOU NEED: Save energy and reduce waste with the onecup (240 ml) boil marker, perfect for quick solo brews throughout the day.
- CLEANER POUR, BETTER TASTE: The removable, washable limescale filter helps reduce impurities, especially in hard water areas, for freshertasting tea and coffee.
- EASY REFILLING, EVERY TIME: The hinged lid opens at the touch of a button for effortless refills, while the rear water level indicator ensures accurate filling.
- CORDLESS CONVENIENCE FOR EVERY USER: The fully detachable 360° swivel base makes pouring easy from any angle and is ideal for both left and righthanded users.
- MATCHING TOASTER AVAILABLE: Complete the look with the matching Core Collection Toaster (sold separately) for a sleek, coordinated kitchen setup.

PRODUCT DETAILS

The Cuisinart Core Collection Kettle combines performance, safety and style in one sleek design. With a generous 1.5L capacity and a powerful 3kW rapid boil element, it delivers hot water fast, perfect for everything from morning brews to evening infusions.

Its double-walled construction features a cool-touch BPA-free plastic exterior and a full stainless steel interior, keeping water hotter for longer while ensuring safe handling. The one-cup boil marker (240ml) helps you save energy and reduce waste by boiling only what you need.

A hinged lid opens at the touch of a button for easy refilling, and the removable limescale filter improves water quality, enhancing the taste of your drinks. The rear water level indicator ensures accurate filling, and the 360° swivel base offers cordless convenience for both left- and right-handed users.

Finished in a contemporary stone grey with a soft red glow when in use, this kettle is as stylish as it is functional. Pair it with the matching Core Collection Toaster for a coordinated kitchen look.
