HOVERAir

HOVERAir Camera Drone X1 PRO - Black

255654

The HOVERAir X1 Pro is a compact, foldable flying camera built for creators who want cinematic-quality content anywhere adventure takes them.
Highlights:

- Cinematic video – Shoot in 4K@60fps horizontal or 2.7K vertical with SmoothCapture 2.0 stabilization for ultra-steady shots.
- Effortless control – 10+ hands-free flight modes, palm launch, and simple tap or voice commands.
- Adventure-ready – Flies over snow, water, and cliffs at speeds up to 42 km/h with smart subject tracking.
- Safe & reliable – Rear ToF sensor for obstacle detection and aerospace-grade HEM propeller guards in a fully enclosed design.
- Smart storage & sharing – 32GB built-in (expandable to 1TB) with seamless app control for easy saving and posting.

PRODUCT DETAILS

4K Flying Camera for Cinematic Action:
The HOVERAir X1 Pro captures your adventures in lifelike clarity with **4K@60fps horizontal** or **2.7K@60fps vertical video**. From mountain peaks to ocean waves, every frame is crisp and immersive.

Totally Hands-Free Filming:
Launch the X1 Pro effortlessly from your hand with a tap or voice command—no controller or phone needed. Choose from over 10 automated flight modes including Hover, Zoom Out, Follow, and Dolly Track, and let the flying camera do the filming while you focus on the action.

Adventure-Ready with OmniTerrain:
Designed for every environment, the X1 Pro flies confidently over snow, water, cliffs, and more. Its upgraded aerodynamic design minimizes drag and enables top speeds of **60 km/h** and follow speeds up to **42 km/h**. Enhanced tracking algorithms keep you in frame even during fast-paced cycling, skiing, or outdoor adventures.

SmoothCapture 2.0 for Ultra-Stable Shots:
Equipped with a **2-axis gimbal**, **EIS (electronic image stabilization)**, and **horizon leveling**, the X1 Pro keeps your footage smooth and steady—even in motion.

Smart Collision Protection:
Equipped with a rear **ToF (Time of Flight) proximity sensor**, the X1 Pro actively detects obstacles and brakes automatically at speeds up to **1.5 m/s**. Fly with greater confidence in complex outdoor or indoor spaces.

Portable, Durable & Ready to Go:
Compact and foldable, the X1 Pro fits easily in your bag. Its fully enclosed design with **aerospace-grade HEM propeller guards** delivers superior durability, elasticity, and safety—lighter than carbon fiber yet stronger for everyday use.

App Control & Massive Storage:
Control advanced modes, view live previews, and share instantly through the Hover X1 App. With **32GB of built-in storage** and support for up to **1TB SD cards**, the X1 Pro gives you the freedom to capture, save, and share without limits.

What's In The Box:

- HOVERAir X1 Pro ×1
- Smart Battery ×1
- USB-C Cable ×1
- Storage Bag ×1

Specs

Product Attributes

EAN:	6977791920005
Manufacturer number:	SP06H002
Product weight:	0.19 kilograms

Drone

Maximum Speed (Horizontal):	42
Maximum Altitude (Above Sea Level):	5500
Max Flight Height:	120
Maximum Wind Speed Resistance:	10.7 m/s
Rotors:	4

Image & Photo

Resolution & Frame rate:	Standard Video 4K@60/50/30/25/24fps 1080p@120/100/60/50/30/25/24 fps Vertical Video: 2.7K@60/50/30/25/24fps 1080p@60/50/30/25/24fps
